FUNERAL DIRECTORS AND EMBALMERS—Lady Assistant, 111 West Lead; Phone, Night or Day, 578.

write policies. They will stop first at Gallup and will be away ten days.

Assistant District Forester A. O. Waha, who recently returned from a six weeks' inspection tour of the Pecos forest, speaks enthusiastically of the condition of that region. Rains, which began promptly on July 1, have continued steadily. Forage and range stock are in the best condition. Though the rain has depressed the cappers and spoiled the fishing at times, it has been good for the farmers. A big sale of timber was negotiated with Gross, Kelly and Co. this spring and a sale of 5 million feet was made to Leonard and Consine, railway contractors. The forest reconnaissance party has finished its work and has gone over to the Jemez forest.

The fire department responded to two telephone calls this morning. Because of the prompt action of the firemen, neither fire was of a serious nature. The first was at the residence of John W. Freist, 319 N. Fourth street. Some rubber in the back yard had caught fire and was threatening adjoining property. The chemicals promptly extinguished it. At 11:45 the Highland department was called to the Broadway grocery at 302 South Broadway. Some oil cans in the yard back of the store had burst into flames, and again the chemical stream put the fire out at once.

PAINTERS HAVE WEARY TALES TO TELL TODAY

A hospitable painter suffered the consequences of his ill-advised munificence by being locked up in the city jail this morning for ten days. The fellow, who gave his name as Harry Jones, had finished a \$20 job and called his friends together to spend the money. Late last night as he was returning from a First street saloon to his humble abode, he met one John Davis in search of a "pile ticket." George Harry took John Davis home to sleep on his floor. On the porch they met a scantly clad friend named Nicolas Santian, who had retired for the night. Though the porch is of wood and about four by six feet in size, Santian because he is a fresh air fiend, wanted to sleep there.

An argument ensued and continued until the three gentlemen were taken into the custody of the police. John Davis was given shelter for ten days in the lock-up and Santian pleaded not guilty to his charges and was placed under \$20 bond to be heard later.

John Gabaldon also charged with being drunk and disturbing the peace, speedily pleaded his guilt, and was speedily jailed for 15 days.

#### CASE OF THANKS.

I take this method of expressing my deep gratitude and thanks for the sympathy and kindness to my late husband and to myself, by the Masons and the members of Triple Link, Rebekah Lodge and all others, especially to Sister Ada M. Chevalier, M. D. whose kindness I shall always remember.

MRS. ROBERT P. MELNER,  
1108 South Walter Street.

Old Gent—Pon my word, madam, I should hardly have known you, you have altered so much.

Lady—for better or for the worse?

Old Gent—Ah, madam, you could only change for the better—judge.
